2 Happy Together - Turtles

Imagine me and you, I do
I think about you day and night, it's only
right
To think about the girl you love and hold
her tight
So happy together

If I should call you up, invest a dime
And you say you belong to me and ease
my mind
Imagine how the world could be, so very
fine
So happy together

I can't see me lovin' nobody but you
For all my life
When you're with me, baby the skies'll be
blue
For all my life

Me and you and you and me
No matter how they toss the dice, it had
to be
The only one for me is you, and you for
me
So happy together

I can't see me lovin' nobody but you
For all my life
When you're with me, baby the skies'll be
blue
For all my life

Me and you and you and me
No matter how they toss the dice, it had
to be
The only one for me is you, and you for
me
So happy together

Ba-ba-ba-ba ba-ba-ba-ba ba-ba-ba ba-
ba-ba-ba
Ba-ba-ba-ba ba-ba-ba-ba ba-ba-ba ba-
ba-ba-ba

Me and you and you and me
No matter how they toss the dice, it had
to be
The only one for me is you, and you for
me
So happy together

So happy together
How is the weather

So happy together
We're happy together

So happy together
Happy together

So happy together
So happy together (ba-ba-ba-ba ba-ba-
ba-ba)

Don't know much about history
 Don't know much biology
 Don't know much about a science book
 Don't know much about the French I took
 But I do know that I love you
 And I know that if you love me, too
 What a wonderful world this would be

Don't know much about geography
 Don't know much trigonometry
 Don't know much about algebra
 Don't know what a slide rule is for
 But I do know one and one is two
 And if this one could be with you
 What a wonderful world this would be

Now, I don't claim to be an A student
 But I'm trying to be
 For maybe by being an A student, baby
 I can win your love for me

Don't know much about history
 Don't know much biology
 Don't know much about a science book
 Don't know much about the French I took
 But I do know that I love you
 And I know that if you love me, too
 What a wonderful world this would be

La ta ta ta ta ta (history)
 Hmm-mm-mm (biology)
 La ta ta ta ta ta (science book)
 Hmm-mm-mm (French I took)

Yeah, but I do know that I love you
 And I know that if you love me, too
 What a wonderful world this would be

Wednesday morning at five o'clock
 As the day begins
 Silently closing her bedroom door
 Leaving the note that she hoped would say more
 She goes downstairs to the kitchen
 Clutching her handkerchief
 Quietly turning the backdoor key
 Stepping outside, she is free

She (we gave her most of our lives)
 Is leaving (sacrificed most of our lives)
 Home (we gave her everything money could buy)
 She's leaving home, after living alone, for so many
 years (bye bye)

Father snores as his wife gets into her dressing gown
 Picks up the letter that's lying there
 Standing alone at the top of the stairs
 She breaks down and cries to her husband
 "Daddy, our baby's gone.
 "Why would she treat us so thoughtlessly?
 How could she do this to me?"

She (we never thought of ourselves)
 Is leaving (never a thought for ourselves)
 Home (we struggled hard all our lives to get by)
 She's leaving home, after living alone, for so many
 years

Friday morning, at nine o'clock
 She is far away
 Waiting to keep the appointment she made
 Meeting a man from the Motortrade

She (what did we do that was wrong)
 Is Having (we didn't know it was wrong)
 Fun (fun is the one thing that money can't buy)
 Something inside, that was always denied, for so
 many years
 She's leaving home, bye, bye

4 I'm so tired - Beatles

I'm so tired, I haven't slept a wink
I'm so tired, my mind is on the blink
I wonder should I get up and fix myself a
drink
No, no, no

I'm so tired, I don't know what to do
I'm so tired, my mind is set on you
I wonder should I call you but I know
what you would do

You'd say I'm putting you on
But it's no joke, it's doing me harm
You know I can't sleep, I can't stop my
brain
You know it's three weeks, I'm going
insane
You know I'd give you everything I've got
For a little peace of mind

I'm so tired, I'm feeling so upset
Although I'm so tired, I'll have another
cigarette
And curse Sir Walter Raleigh
He was such a stupid get

You'd say I'm putting you on
But it's no joke, it's doing me harm
You know I can't sleep, I can't stop my
brain
You know it's three weeks, I'm going
insane
You know I'd give you everything I've got
For a little peace of mind

I'd give you everything I've got
For a little peace of mind

I'd give you everything I've got
For a little peace of mind

I will - Beatles

Who knows how long I've loved you
You know I love you still
Will I wait a lonely lifetime
If you want me to, I will

For if I ever saw you
I didn't catch your name
But it never really mattered
I will always feel the same

Love you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apart

And when at last I find you
Your song will fill the air
Sing it loud so I can hear you
Make it easy to be near you
For the things you do endear you to me
You know I will
I will

Somewhere over the rainbow, way up high
There's a land that I heard of once in a lullaby
Somewhere over the rainbow, Skies are blue,
And the dreams that you dare to dream, really
do come true...

1 [Someday I'll wish upon a star
And wake up where the clouds are far behind
me
Where troubles melt like lemon drops
Away above the chimney tops, that's where
you'll find me

Somewhere over the rainbow, blue birds fly
Birds fly over the rainbow,
tell me why can't I?]

[repeat from 1]

Fly me to the moon

Fly me to the moon
Let me play among the stars
Let me see what spring is like
On a, Jupiter and Mars
In other words, hold my hand
In other words, baby, kiss me

Fill my heart with song
And let me sing for ever more
You are all I long for
All I worship and adore
In other words, please be true
In other words, I love you

Fill my heart with song
Let me sing for ever more
You are all I long for
All I worship and adore
In other words, please be true
In other words, in other words
I love you.

Ground Control to Major Tom
Ground Control to Major Tom
Take your protein pills and put your helmet on
Ground Control to Major Tom (ten, nine, eight,
seven, six)
Commencing countdown, engines on (five,
four, three)
Check ignition and may God's love be with you
(two, one, liftoff)

This is Ground Control to Major Tom
You've really made the grade
And the papers want to know whose shirts you
wear
Now it's time to leave the capsule if you dare
"This is Major Tom to Ground Control
I'm stepping through the door
And I'm floating in a most peculiar way
And the stars look very different today

For here, Am I sitting in a tin can
Far above the world
Planet Earth is blue
And there's nothing I can do

Though I'm past one hundred thousand miles
I'm feeling very still
And I think my spaceship knows which way to
go
Tell my wife I love her very much she knows
Ground Control to Major Tom
Your circuit's dead, there's something wrong
Can you hear me, Major Tom?
Can you hear me, Major Tom?
Can you hear me, Major Tom?
Can you . . .

"Here am I floating 'round my tin can
Far above the moon
Planet Earth is blue
And there's nothing I can do"

6 Time after Time - Cindy Lauper

Lying in my bed, I hear the clock tick and
think of you

Caught up in circles, confusion is nothing
new

Flashback, warm nights almost left behind

Suitcases of memories, time after...

Sometimes you picture me, I'm walking too
far ahead

You're calling to me, I can't hear what you've
said

Then you say, "Go slow", I fall behind

The second hand unwinds

If you're lost, you can look and you will find
me

Time after time

If you fall, I will catch you, I'll be waiting

Time after time

If you're lost, you can look and you will find
me

Time after time

If you fall, I will catch you, I'll be waiting

Time after time

After my picture fades and darkness has
turned to gray

Watching through windows, you're wondering
if I'm OK

Secrets stolen from deep inside

The drum beats out of time

If you're lost, you can look and you will find
me

Time after time

If you fall, I will catch you, I'll be waiting

Time after time

You said, "Go slow", I fall behind

The second hand unwinds

If you're lost, you can look and you will find
me Time after time

If you fall, I will catch you, I'll be waiting

Time after time

If you're lost, you can look and you will find
me Time after time

If you fall, I will catch you, I'll be waiting

Time after time

The Rose - Bette Midler

Some say, "Love. It is a river

That drowns the tender reed"

Some say, "Love. It is a razor

That leaves your soul to bleed"

Some say, "Love. It is a hunger

An endless aching need"

I say, "Love. It is a flower

And you its only seed"

It's the heart afraid of breaking

That never learns to dance

It's the dream afraid of waking

That never takes the chance

It's the one who won't be taken

Who cannot seem to give

And the soul afraid of dyin'

That never learns to live

When the night has been too lonely

And the road has been too long

And you think that love is only

For the lucky and the strong

Just remember in the winter

Far beneath the bitter snow

Lies the seed that with the sun's love

In the spring becomes the rose

Uptown girl
She's been living in her uptown world
I bet she never had a backstreet guy
I bet her mama never told her why
I'm gonna try for an uptown girl
She's been living in her white bread world
As long as anyone with hot blood can
And now she's looking for a downtown man
That's what I am

And when she knows what
She wants from her time
And when she wakes up
And makes up her mind

She'll see I'm not so tough
Just because
I'm in love with an

uptown girl
You know I've seen her in her uptown world
She's getting tired of her high class toys
And all her presents from her uptown boys
She's got a choice

oh, oh, oh

Uptown girl
You know I can't afford to buy her pearls
But maybe someday when my ship comes in
She'll understand what kind of guy I've been
And then I'll win

And when she's walking
She's looking so fine
And when she's talking
She'll say that she's mine

She'll say I'm not so tough
Just because
I'm in love
With an

uptown girl
She's been living in her white bread world
As long as anyone with hot blood can
And now she's looking for a downtown man
That's what I am

oh, oh, oh

Uptown girl
She's my uptown girl
You know I'm in love
With an uptown girl
My uptown girl
You know I'm in love
With an uptown girl
My uptown girl

When the night has come
And the land is dark
And the moon is the only light we'll see
No, I won't be afraid
Oh, I won't be afraid
Just as long as you stand
Stand by me

So darlin', darlin'
Stand by me, oh, stand by me
Oh, stand, stand by me
Stand by me

If the sky that we look upon
Should tumble and fall
Or the mountain should crumble to the
sea
I won't cry, I won't cry
No, I won't shed a tear
Just as long as you stand
Stand by me

And darlin', darlin'
Stand by me, oh, stand by me
Oh, stand now, stand by me
Stand by me

Darlin', darlin'
Stand by me, oh, stand by me
Oh, stand now, stand by me
Stand by me
Whenever you're in trouble, won't you
stand by me?
Oh, stand by me
Won't you stand now?
Oh, stand, stand by me

Something in the way she moves
Attracts me like no other lover
Something in the way she woos me

I don't want to leave her now
You know I believe and how

Somewhere in her smile she knows
That I don't need no other lover
Something in her style that shows me

Don't want to leave her now
You know I believe and how

You're asking me will my love grow
I don't know, I don't know
You stick around, now it may show
I don't know, I don't know

Something in the way she knows
And all I have to do is think of her
Something in the things she shows me

I don't want to leave her now
You know I believe and how

Op een vrijdag in de kroeg
Ergens in Amsterdam
Zat aan de bar met een glas een oude
wijze man
Hij zei dat die nog maar een paar dagen
had
Dus pak het leven, pak alles en ga er mee
op pad

En hij zei

REFREIN:

“Leef, alsof het je laatste dag is”
“Leef, alsof de morgen niet bestaat”
“Leef, alsof het nooit echt af is”
En “leef, pak alles wat je kan”
En ga, a, a, a
A, a, a, a
A, a, a, a
Pak alles wat je kan
En ga, a, a, a
A, a, a, a
Ga
Pak alles wat je kan

Hij vertelde dat ie zich had gewerkt in het
zweet
Geld verdiend als water
Maar nooit echt had geleefd
Z'n vrouw was bij hem weg
Voor een ander ingeruild
Af en toe gelachen
Maar veel te veel gehuild
En hij zei

REFREIN 2 x

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to
arise

Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to
be free

Black bird fly, black bird fly
Into the light of the dark black night

Black bird fly, black bird fly
Into the light of the dark black night

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to
arise
You were only waiting for this moment to
arise
You were only waiting for this moment to
arise

What a day for a daydream
What a day for a daydreamin' boy
And I'm lost in a daydream
Dreamin' 'bout my bundle of joy

And even if time ain't really on my side
It's one of those days for taking a walk
outside
I'm blowing the day to take a walk in the sun
And fall on my face on somebody's new-
mown lawn

I've been having a sweet dream
I been dreaming since I woke up today
It's starring me and my sweet dream
'Cause she's the one makes me feel this way

And even if time is passing me by a lot
I couldn't care less about the dues you say
I got
Tomorrow I'll pay the dues for dropping my
load
A pie in the face for being a sleepy bull toad

And you can be sure that if you're feeling
right
A daydream will last long into the night
Tomorrow at breakfast you may prick up your
ears
Or you may be daydreaming for a thousand
years

What a day for a daydream
Custom made for a daydreaming boy
And I'm lost in a daydream
Dreaming 'bout my bundle of joy...

All the leaves are brown
and the sky is gray
I've been for a walk
on a winter's day
I'd be safe and warm
if I was in L.A.
California dreamin'
on such a winter's day

Stopped in to a church
I passed along the way
Well I got down on my knees
and I pretend to pray
You know the preacher liked the cold
He knows I'm gonna stay
California dreamin'
on such a winter's day

All the leaves are brown
and the sky is gray
I've been for a walk
on a winter's day
If I didn't tell her
I could leave today
California dreamin'
on such a winter's day
California dreamin'
on such a winter's day
California dreamin'
on such a winter's day

Everybody's got to live together
All the people got to understand
So, love your neighbor
Like you love your brother
Come on and join the band

Well, all you need is love and understand-
ing
Ring the bell and let the people know
We're so happy and we're celebratin'
Come on and let your feelings show

Love is all, well love is all,
Love is all, can't you hear the call
Oh, love is all you need
Love is all you need at the Butterfly Ball

Ain't you happy that we're all together
At the ball in nature's countryside
And although we're wearing different
faces
Nobody wants to hide

Love is all and all is love and
It's easy, yes it's so easy
At the Butterfly Ball where love is all
And it's so easy

All you need is love and understanding
Hey, ring the bell and let the people know
We're so happy and we're celebratin'
Let your feelings show

Love is all, yes love is all
at the Butterfly Ball
Love is big, love is small
Love is free, love is all
At the Butterfly Ball

When you back's to the wall
When you're starting to fall
You got something to lean on
Love is everything
It can make you sing at the Butterfly Ball
Love is all, I say love is all, yes love is all
At the Butterfly Ball

If roses are meant to be red
 And violets to be blue
 Why isn't my heart
 meant for you

My hands longing to touch you
 But I can barely breathe
 Starry eyes that make me melt
 Right in front of me

Lost in this world
 I even get lost in this song
 And when the lights go down
 That is where I'll be found

This music's irresistible
 Your voice makes my skin crawl
 Innocent and pure
 I guess you heard it all before

Mister Inaccessible
 Will this ever change
 One thing that remains the same
 You're still a picture in a frame

I get lost in this world
 I get lost in your eyes
 And when the lights go down
 That's where I'll be found

[BRIDGE] Yeah yeah

I get lost in this world
 I get lost in your eyes
 And when the lights go down
 Am I the only one
 Ooh

Love me tender,
 love me sweet,
 never let me go.
 You have made my life complete,
 and I love you so.

**Love me tender,
 love me true,
 all my dreams fulfilled.
 For my darlin' I love you,
 and I always will.**

Love me tender,
 love me long,
 take me to your heart.
 For it's there that I belong,
 and we'll never part.

**Love me tender,
 love me true,
 all my dreams fulfilled.
 For my darlin' I love you,
 and I always will.**

Love me tender,
 love me dear,
 tell me you are mine.
 I'll be yours through all the years,
 till the end of time.

**Love me tender,
 love me true,
 all my dreams fulfilled.
 For my darlin' I love you,
 and I always will.**

I'm nothing special,
in fact I'm a bit of a bore
If I tell a joke,
you've probably heard it before
But I have a talent, a wonderful thing
'Cause everyone listens
when I start to sing
I'm so grateful and proud
All I want is to sing it out loud

So I say
Thank you for the music,
the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it,
I ask in all honesty
What would life be?
Without a song or a dance what are we?
So I say thank you for the music
For giving it to me

I've been so lucky,
I am the girl with golden hair
I wanna sing it out to everybody
What a joy, what a life, what a chance!

So I say
Thank you for the music, the songs I'm
singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be?
Without a song or a dance what are we?
So I say thank you for the music
For giving it to me

So I say thank you for the music
For giving it to me

Only you can make all this world seem right
Only you can make the darkness bright
Only you and you alone
Can thrill me like you do
And fill my heart with love for only you

[Verse 2]

Only you can make all this change in me
For it's true, you are my destiny
When you hold my hand
I understand the magic that you do
You're my dream come true
My one and only you

[Verse 3]

Only you can make all this change in me
For it's true, you are my destiny
When you hold my hand
I understand the magic that you do
You're my dream come true
My one and only you
One and only you

I'm sorry
 for the times that I made you scream
 for the times that I killed your dreams
 for the times that I made your
 whole world rumble

for the times that I made you cry
 for the times that I told you lies
 for the times that I watched and
 let you stumble

**It's too bad, but that's me
 what goes around comes around,
 you'll see
 that I can carry
 the burden of pain
 'cause it ain't the first time
 that a man goes insane
 and when I spread my wings
 to embrace him for life
 I'm suckin' out his love, 'cause I,
 I'll never be nobody's wife**

I'm sorry
 for the times that I didn't come home
 left you lyin' in that bed alone
 was flyin' high in the sky
 when you needed my shoulder

you're like a stone
 hangin' round my neck, see
 cut it loose before it breaks my back, see
 I've gotta say what I feel before I grow
 older

I'm sorry but I ain't gonna change my
 ways
 you know I've tried but I'm still the same
 I've got to do it my own way

REFREIN 2x

I'm driving in my car
 I turn on the radio
 I'm pulling you close
 You just say no
 You say you don't like it
 But girl I know you're a liar
 'Cause when we kiss
 Ooooh, Fire

Late at night
 I'm takin' you home
 I say I wanna stay
 You say you wanna be alone
 You say you don't love me
 Girl you can't hide your desire
 'Cause when we kiss
 Oh, Fire
 Fire

You had a hold on me
 Right from the start
 A grip so tight
 I couldn't tear it apart
 My nerves all jumpin'
 Actin' like a fool
 Well your kisses they burn
 But your heart stays cool

Romeo and Juliet
 Samson and Delilah
 Baby you can bet
 Their love they didn't deny
 Your words say split
 But your words they lie
 'Cause when we kiss
 Mmmmmm, Fire
 Fire

She can kill with a smile
She can wound with her eyes
She can ruin your faith with her casual lies
And she only reveals
what she wants you to see
She hides like a child
But she's always a woman to me

**Oh, she takes care of herself
She can wait if she wants
She's ahead of her time
Oh, and she never gives out
And she never gives in
She just changes her mind**

She can lead you to love
She can take you or leave you
She can ask for the truth
But she'll never believe
And she'll take what you give her
as long as it's free
Yeah, she steals like a thief
But she's always a woman to me

**Oh, she takes care of herself
She can wait if she wants
She's ahead of her time
Oh, and she never gives out
And she never gives in
She just changes her mind**

She will promise you more
Than the Garden of Eden
Then she'll carelessly cut you
And laugh while you're bleedin'
But she'll bring out the best
And the worst you can be
Blame it all on yourself
Cause she's always a woman to me

**Oh, she takes care of herself
She can wait if she wants
She's ahead of her time
Oh, and she never gives out
And she never gives in
She just changes her mind**

She is frequently kind
And she's suddenly cruel
She can do as she pleases
She's nobody's fool
But she can't be convicted
She's earned her degree
And the most she will do
Is throw shadows at you
But she's always a woman to me

16 Living Doll - Cliff Richard

Got myself a crying, talking, sleeping,
walking, living doll

Got to do my best to please her, just
'cause she's a living doll

Got a roving eye and that is why she
satisfies my soul

Got the one and only walking talking,
living doll

Take a look at her hair, it's real
And if you don't believe what I say, just
feel

I'm gonna lock her up in a trunk
So no big hunk can steal her away from
me

Got myself a crying, talking, sleeping,
walking, living doll

Got to do my best to please her, just
'cause she's a living doll

Got a roving eye and that is why she
satisfies my soul

Got the one and only walking talking,
living doll

Got the one and only walking talking,
living doll

Perfect day - Lou Reed

Just a perfect day
Drink sangria in the park
And then later, when it gets dark
We go home

Just a perfect day
Feed animals in the zoo
Then later a movie, too
And then home

Oh, it's such a perfect day
I'm glad I spent it with you
Oh, such a perfect day
You just keep me hanging on
You just keep me hanging on

Just a perfect day
Problems all left alone
Weekenders on our own
It's such fun

Just a perfect day
You made me forget myself
I thought I was someone else
Someone good

Oh, it's such a perfect day
I'm glad I spent it with you
Oh, such a perfect day
You just keep me hanging on
You just keep me hanging on

Starry, starry night
 Paint your palette blue and gray
 Look out on a summer's day
 With eyes that know the darkness
 in my soul
 Shadows on the hills
 Sketch the trees and the daffodils
 Catch the breeze and the winter chills
 In colors on the snowy linen land

Now I understand
 What you tried to say to me
 And how you suffered for your sanity
 And how you tried to set them free
 They would not listen,
 they did not know how
 Perhaps they'll listen now

Starry, starry night
 Flaming flowers that brightly blaze
 Swirling clouds in violet haze
 Reflect in Vincent's eyes of china blue
 Colors changing hue
 Morning fields of amber grain
 Weathered faces lined in pain
 Are soothed beneath the
 artist's loving hand

Now I understand
 What you tried to say to me
 And how you suffered for your sanity
 And how you tried to set them free
 They would not listen,
 they did not know how
 Perhaps they'll listen now

For they could not love you
 But still your love was true
 And when no hope was left in sight
 On that starry, starry night
 You took your life, as lovers often do
 But I could've told you Vincent
 This world was never meant for
 One as beautiful as you

Starry, starry night
 Portraits hung in empty halls
 Frame-less heads on nameless walls
 With eyes that watch the world
 and can't forget
 Like the strangers that you've met
 The ragged men in ragged clothes
 The silver thorn of bloody rose
 Lie crushed and broken
 on the virgin snow

Now I think I know
 What you tried to say to me
 And how you suffered for your sanity
 And how you tried to set them free
 They would not listen,
 they're not listening still
 Perhaps they never will

She may be the face I can't forget
 The trace of pleasure or regret
 May be my treasure or the price I have to pay
 She may be the song that summer sings
 Maybe the chill that autumn brings
 Maybe a hundred different things
 Within the measure of a day

She may be the beauty or the beast
 May be the famine or the feast
 May turn each day into a Heaven or a Hell
 She may be the mirror of my dreams
 A smile reflected in a stream
 She may not be what she may seem
 Inside her shell

She, who always seems so happy in a crowd
 Whose eyes can be so private and so proud
 No one's allowed to see them when they cry
 She may be the love that cannot hope to last
 May come to me from shadows in the past
 That I remember 'till the day I die

She maybe the reason I survive
 The why and wherefore I'm alive
 The one I'll care for through the rough in
 many years
 Me, I'll take her laughter her tears
 And make them all my souvenirs
 And where she goes I've got to be
 The meaning of my life is
 She, she
 Oh, she

Imagine there's no heaven
 It's easy if you try
 No hell below us
 Above us only sky
 Imagine all the people
 Living for today... Aha-ah...

Imagine there's no countries
 It isn't hard to do
 Nothing to kill or die for
 And no religion, too
 Imagine all the people
 Living life in peace... You...

You may say I'm a dreamer
 But I'm not the only one
 I hope someday you'll join us
 And the world will be as one

Imagine no possessions
 I wonder if you can
 No need for greed or hunger
 A brotherhood of man
 Imagine all the people
 Sharing all the world... You...

You may say I'm a dreamer
 But I'm not the only one
 I hope someday you'll join us
 And the world will live as one

This happened once before
 When I came to your door
 No reply
 They said it wasn't you
 But I saw you peep through your window

I saw the light, I saw the light
 I know that you saw me
 As I looked up to see your face

I tried to telephone
 They said you were not home
 That's a lie
 'Cause I know where you've been
 I saw you walk in your door

I nearly died, I nearly died
 'Cause you walked hand in hand
 With another man in my place

If I were you I'd realize that I
 Love you more than any other guy
 And I'll forgive the lies that I
 Heard before when you gave me no reply

I've tried to telephone
 They said you were not home
 That's a lie
 'Cause I know where you've been
 I saw you walk in your door

I nearly died, I nearly died
 'Cause you walked hand in hand
 With another man in my place

No reply, no reply

I knew a man,
 Bojangles and he danced for you
 In worn out shoes
 Silver hair, a ragged shirt and baggy pants
 The old soft shoe
 He jumped so high, jumped so high
 Then he'd lightly touch down

I met him in a cell in New Orleans,
 He was down and out
 He looked to me to be the eyes of age
 As he spoke right out
 He talked of life, he talked of life
 He laughed, slapped his leg and stepped
 Mr. Bojangles
 Mr. Bojangles, Mr. Bojangles, dance

He said his name,
 Bojangles and he danced a lick
 Across the cell
 He grabbed his pants, a better stance
 And jumped so high, clicked his heels
 He let go a laugh Let go a laugh
 Shook back his clothes all around

He danced for those in minstrel shows
 And county fairs
 Throughout the south
 He spoke with tears of fifteen years
 How his dog and he traveled about
 His dog up and died he up and died
 After twenty years he still grieves
 Mr. Bojangles
 Mr. Bojangles, Mr. Bojangles, dance

He said I dance now
 At every chance in honky tonks
 For drinks and tips
 But most the time
 I spend behind these county bars
 'Cause I drinks a bit
 He shook his head
 And as he shook his head
 I heard someone ask, please
 Mr. Bojangles
 Mr. Bojangles
 Mr. Bojangles
 Go on and dance

Well, I heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do you?
Well it goes like this:

The fourth, the fifth, the minor fall
and the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Well your faith was strong
but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya
She tied you to her kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Well, Maybe there's a God above
But all I've ever learned from love
Was how to shoot somebody who outdrew ya
And it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Hallelujah, hallelujah, hallelujah, hallelujah...
Hallelujah, hallelujah, hallelujah, hallelujah...
Hallelujah, hallelujah, hallelujah
Hallelujah, hallelujah

There are places I'll remember
All my life though some have changed
Some forever not for better
Some have gone and some remain

All these places had their moments
With lovers and friends I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

In my life I love you more

Als de oorlog komt
En als ik dan moet schuilen
Mag ik dan bij jou?
Als er een clubje komt
Waar ik niet bij wil horen
Mag ik dan bij jou?
Als er een regel komt
Waar ik niet aan voldoen kan
Mag ik dan bij jou?
En als ik iets moet zijn
Wat ik nooit geweest ben
Mag ik dan bij jou?

Mag ik dan bij jou schuilen
Als het nergens anders kan?
En als ik moet huilen
Droog jij m'n tranen dan?
Want als ik bij jou mag
Mag jij altijd bij mij
Kom wanneer je wilt
Ik hou een kamer voor je vrij

Als het onweer komt
En als ik dan bang ben
Mag ik dan bij jou?
Als de avond valt
En 't is mij te donker
Mag ik dan bij jou?
Als de lente komt
En als ik dan verliefd ben
Mag ik dan bij jou?
Als de liefde komt
En ik weet het zeker
Mag ik dan bij jou?

Mag ik dan bij jou schuilen
Als het nergens anders kan?
En als ik moet huilen
Droog jij m'n tranen dan?
Want als ik bij jou mag
Mag jij altijd bij mij
Kom wanneer je wilt
Ik hou een kamer voor je vrij
Mag ik dan bij jou schuilen
Als het nergens anders kan?
En als ik moet huilen
Droog jij m'n tranen dan?
Want als ik bij jou mag
Mag jij altijd bij mij
Kom wanneer je wilt
'K hou een kamer voor je vrij

Als het einde komt
En als ik dan bang ben
Mag ik dan bij jou?
Als het einde komt
En als ik dan alleen ben
Mag ik dan bij jou?

Hey, Jude, don't make it bad
 Take a sad song and make it better
 Remember to let her into your heart
 Then you can start to make it better
 Hey, Jude, don't be afraid
 You were made to go out and get her
 The minute you let her under your skin
 Then you begin to make it better

And anytime you feel the pain,
 Hey, Jude, refrain
 Don't carry the world upon your shoulders
 For well you know that it's a fool
 Who plays it cool
 By making his world a little colder
 Nah, nah nah, nah nah, nah nah, nah nah

Hey, Jude, don't let me down
 You have found her, now go and get her
 Remember to let her into your heart
 Then you can start to make it better

So let it out and let it in,
 Hey, Jude, begin
 You're waiting for someone to perform with
 And don't you know that it's just you,
 Hey, Jude, you'll do
 The movement you need is on your shoulder

Nah, nah nah, nah nah, nah nah, nah nah
 yeah

Hey, Jude, don't make it bad
 Take a sad song and make it better
 Remember to let her under your skin
 Then you'll begin to make it better, better,
 better, better, better... oh!

Nah, nah nah, nah nah, nah, nah, nah nah,

Stars shining bright above you;
 Night breezes seem to whisper 'I love you'.
 Birds singing in the sycamore tree.
 Dream a little dream of me.

Say nighty-night and kiss me;
 Just hold me tight and tell me you'll miss me.
 While I'm alone, blue as can be,
 Dream a little dream of me.

Stars fading but I linger on, dear -
 Still craving your kiss.
 I'm longing to linger till dawn, dear,
 Just saying this...

Sweet dreams till sunbeams find you -
 Sweet dreams that leave all worries behind
 you.
 But in your dreams, whatever they be,
 Dream a little dream of me.

Stars fading but I linger on, dear -
 Still craving your kiss.
 I'm longing to linger till dawn, dear,
 Just saying this...

Sweet dreams till sunbeams find you -
 Sweet dreams that leave all worries far
 behind you.
 But in your dreams, whatever they be,
 Dream a little dream of me.

Da da da

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When the evening shadows and the stars
appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I will never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry; I'd go black and blue
I'd go crawling down the avenue
No, there's nothing that I wouldn't do
To make you feel my love

- - -

The storms are raging on the rolling sea
And on the highway of regret
The winds of change are blowing wild and
free
You ain't seen nothing like me yet

I could make you happy,
make your dreams come true
Nothing that I wouldn't do
Go to the ends of the Earth for you
To make you feel my love
To make you feel my love

Een muts op mijn hoofd
Mijn kraag staat omhoog
Het is hier ijskoud Maar gelukkig wel droog
De dagen zijn kort hier De nacht begint vroeg
De mensen zijn stug En er is maar een kroeg

Als ik naar mijn hotel loop na een donkere dag
Dan voel ik mijn huissleutel Diep in mijn zak

**Ik loop hier alleen
In een te stille stad
Ik heb eigenlijk nooit last
Van heimwee gehad
Maar de mensen ze slapen
De wereld gaat dicht
En dan denk ik aan Brabant
Want daar brandt nog licht**

Ik mis hier de warmte van een dorpscafé
De aanspraak van mensen met een zachte G
Ik mis zelfs het zeiken op alles om niets
Was men maar op Brabant zo trots als een
Fries

In het zuiden vol zon woon ik samen met jou
Het is daarom dat ik zo van Brabanders hou

REFREIN

De Peel en de Kempen
En de Meierij
Maar het mooiste aan Brabant
Ben jij, dat ben jij

Wise men say
Only fools rush in
But I can't help falling in love with you

Shall I stay?
Would it be a sin
If I can't help falling in love with you?

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand,
Take my whole life, too
For I can't help falling in love with you

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand,
Take my whole life, too
For I can't help falling in love with you
For I can't help falling in love with you

I see trees of green
Red roses too
I see them bloom
For me and you
And I think to myself
What a wonderful world

I see skies of blue
And clouds of white
The bright blessed day
The dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
Are also on the faces
Of people going by
I see friends shaking hands
Saying, "How do you do?"
They're really saying
"I love you"

I hear babies cry
I watch them grow
They'll learn much more
Than I'll never know
And I think to myself
What a wonderful world

Yes, I think to myself
What a wonderful world

Oh yeah

Yesterday
all my troubles seemed so far away.
Now it looks
as though they're here to stay.
Oh, I believe in yesterday.

Suddenly,
I'm not half the man I used to be.
There's a shadow hanging over me.
Oh, yesterday came suddenly.

Why she had to go?
I don't know, she wouldn't say.
I said something wrong.
Now I long for yesterday.

Yesterday
love was such an easy game to play.
Now I need a place to hide away.
Oh, I believe in yesterday.

Why she had to go?
I don't know, she wouldn't say.
I said something wrong.
Now I long for yesterday.

Yesterday
love was such an easy game to play.
Now I need a place to hide away.
Oh, I believe in yesterday.

Branches in the wind
Still standing here together
One more storm to weather
We'll get through it yet
So we're gathered here
Holding on to each other
To let go of another one we won't forget

Now as we say goodbye
To one of our own
We may be lonely
But we're not alone
Though the leaves will fall
And the tears will flow
May it always comfort us to know
The family tree will always grow

Father down to son, mother to daughter
Thicker than water, we are made of this
From the Earth we rise
To the Earth returning
We'll keep a candle burning
For the ones we'll miss

And when we say goodbye
To one of our own
We may be lonely
But we're not alone
Though the leaves will fall
And the tears will flow
May it always comfort us to know
The family tree will always grow

It's stronger than the wind can blow
The family tree will always grow

If I give up the seat I've been saving
To some elderly lady or man
Am I being a good boy?
Am I your pride and joy?
Mother please if you think say I am

And if while in the course of my duty
I perform an unfortunate take
Would you punish me so
Unbelievably so
Never again will I make that mistake

This feeling inside me could never deny
me
The right to be wrong if I choose
And this pleasure I get
From say winning a bet, Is to lose

When I'm drinking my Bonaparte Shandy
Eating more than enough apple pies
Will I glance at my screen
And see real human beings
Starve to death right in front of my eyes

Nothing old, nothing new, nothing ventu-
red
Nothing gained, nothing still-born or lost
Nothing further than proof, nothing wilder
than youth
Nothing older than time, nothing sweeter
than wine
Nothing physically recklessly, hopelessly
blind
Nothing I couldn't say
Nothing why 'cos today
Nothing rhymed

This feeling inside me could never deny
me
The right to be wrong if I choose
And this pleasure I get
From say winning a bet
Is to lose

Nothing good, nothing bad, nothing
ventured
Nothing gained, nothing still-born or lost
Nothing further than proof,
nothing wilder than youth
Nothing older than time,
nothing sweeter than wine
Nothing physically recklessly,
hopelessly blind
Nothing I couldn't say
Nothing why 'cos today
Nothing rhymed

Goddess on the mountain top
Burning like a silver flame
The summit of beauty and love
And Venus was her name

She's got it
Yeah, baby, she's got it
I'm your Venus, I'm your fire
At your desire
Well, I'm your Venus, I'm your fire
At your desire

Her weapons were her crystal eyes
Making every man mad
Black as the dark night she was
Got what no one else had
Wah!

She's got it
Yeah, baby, she's got it
I'm your Venus, I'm your fire
At your desire
Well, I'm your Venus, I'm your fire
At your desire

Ah - ah -ah

She's got it
Yeah, baby, she's got it
I'm your Venus, I'm your fire
At your desire
Well, I'm your Venus, I'm your fire
At your desire

Sammy loop niet zo gebogen
Denk je dat ze je niet mogen
Waarom loop je zo gebogen Sammy
Met je ogen Sammy op de vlucht

Hoog Sammy, kijk omhoog Sammy
Want daar is de blauwe lucht

Sammy loop niet zo verlegen
Zo verlegen door de regen
Waarom loop je zo verlegen Sammy
Door de stegen Sammy van de stad

Hoog Sammy, kijk omhoog Sammy
Want dan word je lekker nat
Sammy
Kromme, kromme Sammy
Dag, Sammy
Domme, domme Sammy
Kijkt niet om zich heen
Doet alles alleen
En vindt de wereld heel gemeen

Sammy wil bij niemand horen
Zich door niets laten verstoren
Toch voelt hij zich soms verloren Sammy
Hoge toren Sammy kan 't niet aan

Hoog Sammy, Kijk

Know it sounds funny
 But I just can't stand the pain
 Girl I'm leaving you tomorrow
 Seems to me girl
 You know I've done all I can
 You see I begged, stole
 And I borrowed

Ooh, that's why I'm easy
 I'm easy like Sunday morning
 That's why I'm easy
 I'm easy like Sunday morning

Why in the world
 Would anybody put chains on me?
 I've paid my dues to make it
 Everybody wants me to be
 What they want me to be
 I'm not happy when I try to fake it!
 No!

Ooh, that's why I'm easy
 I'm easy like Sunday morning
 That's why I'm easy
 I'm easy like Sunday morning

I wanna be high, so high
 I wanna be free to know
 The things I do are right
 I wanna be free
 Just me, oh babe!

That's why I'm easy
 I'm easy like Sunday morning
 That's why I'm easy
 I'm easy like Sunday morning
 Because I'm easy
 Easy like Sunday morning
 Because I'm easy
 Easy like Sunday morning

De radio speelt "Wooden Heart"
 Ik heb al liedjes opgespaard
 vur ooit
 Ge weet mar nooit

M'n whiskyglas is halfvol
 Mar ooit dan stop ik helemaal,
 ooit
 As ge ooit

As ge ooit nog 's terugkomt
 As ge ooit, 'n hart van spijt
 As ge ooit terug bij mij komt
 Moette weten, mij raakte nie meer kwijt

M'n achterdeur is nie op slot
 Umda ik 'm openlaot
 vur ooit
 Als ge ooit

Dan doe ik al ons kleren uit
 Ik wil alleen mer huid op huid,
 ooit
 Ja, as ge ooit

As ge ooit nog 's terugkomt
 As ge ooit, 'n hart van spijt
 As ge ooit terug bij mij komt
 Moette weten, mij raakte nie meer kwijt

As ge ooit nog 's terugkomt
 As ge ooit, 'n hart van spijt
 As ge ooit terug bij mij komt
 Moette weten, mij raakte nie meer kwijt
 Moette weten, mij raakte nie meer kwijt
 Moette weten, mij raakte nooit meer kwijt

It's a little bit funny, this feeling inside
 I'm not one of those who can easily hide
 I don't have much money, but boy if I did
 I'd buy a big house where we both could live

If I was a sculptor, but then again, no
 Or a man who makes potions in a traveling
 show
 I know it's not much, but it's the best I can do
 My gift is my song, and this one's for you

And you can tell everybody this is your song
 It may be quite simple, but now that it's done
 I hope you don't mind, I hope you don't mind
 that I put down in words
 How wonderful life is while you're in the world

I sat on the roof and kicked off the moss
 Well, a few of the verses, well, they've got me
 quite cross
 But the sun's been quite kind while I wrote
 this song
 It's for people like you that keep it turned on

So excuse me forgetting, but these things I do
 You see I've forgotten if they're green or
 they're blue
 Anyway the thing is what I really mean
 Yours are the sweetest eyes I've ever seen

And you can tell everybody this is your song
 It may be quite simple, but now that it's done
 I hope you don't mind, I hope you don't mind
 that I put down in words
 How wonderful life is while you're in the world

I hope you don't mind, I hope you don't mind
 that I put down in words
 How wonderful life is while you're in the world

When I find myself in times of trouble
 Mother Mary comes to me
 Speaking words of wisdom, Let it be
 And in my hour of darkness
 She is standing right in front of me
 Speaking words of wisdom, Let it be

Let it be, let it be, let it be, let it be
 Whisper words of wisdom, Let it be

And when the broken-hearted people
 Living in the world agree
 There will be an answer, Let it be
 For though they may be parted there is
 Still a chance that they will see
 There will be an answer, Let it be

Let it be, let it be, let it be, let it be
 Yeah, there will be an answer, Let it be
 Let it be, let it be, let it be, let it be
 Whisper words of wisdom, Let it be

Instr.

Let it be, let it be, let it be, let it be
 Whisper words of wisdom, Let it be

And when the night is cloudy
 There is still a light that shines on me
 Shine until tomorrow, Let it be
 I wake up to the sound of music
 Mother Mary comes to me
 Speaking words of wisdom
 Let it be

Let it be, let it be, let it be, yeah, let it be
 There will be an answer
 Let it be

Saying "I love you"
Is not the words
I want to hear from you
It's not that I want you
Not to say
But if you only knew

How easy It would be to
Show me how you feel
More than words
Is all you have to do
To make it real
Then you wouldn't
Have to say
That you love me
Cause I'd already know

What would you do?
If my heart
Was torn in two
More than words
To show you feel
That your love
For me is real
What would you say
If I took
Those words away
Then you couldn't
Make things new,
Just by saying
"I love you"
More than words,
More than words

Now that I've tried to
Talk to you
And make you understand
All you have to do
Is close your eyes
And just reach out your hands

And touch me
Hold me close
Don't ever let me go
More than words
Is all I ever
Needed you to show
Then you wouldn't
Have to say
That you love me
Cause I'd already know

What would you do if my heart was torn in
two
More than words to show you feel
That your love for me is real
What would you say if I took those words
away
Then you couldn't make things new
Just by saying I love you

La di da, da di da, di dai dai da
More than words

La di da, da di da, di dai dai da
More than words

La di dai, dai dai, di dai dai da
La la di da da da

La di dai dai da
La la da da
More than words

Oooh uuuuh uuuh
Uuh

More than words

When you're down and troubled,
And you need some love and care,
And nothing, nothing is going right
Close your eyes and think of me,
And soon I will be there
To brighten up even your darkest night.

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend

If the sky above you
grows dark and full of clouds
And that old north wind begins to blow
Keep your head together
and call my name out loud
Soon you'll hear me knocking at your door

**You just call out my name
And you know wherever I am
I'll come running, running, yeah, yeah, to
see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will.
You've got a friend**

Now, ain't it good to know
that you've got a friend
When people can be so cold?
They'll hurt you, yes, and desert you
And take your soul if you let them,
Oh, but don't you let them

Refrein:

Thuis heb ik nog een ansichtkaart
Waarop een kerk een kar met paard
Een slagerij J. van der Ven
Een kroeg, een juffrouw op de fiets
Het zegt u hoogstwaarschijnlijk niets
Maar het is waar ik geboren ben

Dit dorp, ik weet nog hoe het was
De boerenkind'ren in de klas
Een kar die ratelt op de keien
Het raadhuis met een pomp ervoor
Een zandweg tussen koren door
Het vee, de boerderijen

**En langs het tuinpad van m'n vader
Zag ik de hoge bomen staan
Ik was een kind en wist niet beter
Dan dat 't nooit voorbij zou gaan**

Wat leefden ze eenvoudig toen
In simp'le huizen tussen groen
Met boerenbloemen en een heg
Maar blijkbaar leefden ze verkeerd
Het dorp is gemoderniseerd
En nou zijn ze op de goeie weg

Want ziet, hoe rijk het leven is
Ze zien de televisiequiz
En wonen in betonnen dozen
Met flink veel glas, dan kun je zien
Hoe of het bankstel staat bij Mien
En d'r dressoir met plastic rozen

**En langs het tuinpad van m'n vader
Zag ik de hoge bomen staan
Ik was een kind en wist niet beter
Dan dat 't nooit voorbij zou gaan**

De dorpsjeugd klit wat bij elkaar
In minirok en beatle-haar
En joelt wat mee met beat-muziek
Ik weet wel het is hun goeie recht
De nieuwe tijd, net wat u zegt
Maar het maakt me wat melancholiek

Ik heb hun vaders nog gekend
Ze kochten zoethout voor een cent
Ik zag hun moeders touwtjespringen
Dat dorp van toen, het is voorbij
Dit is al wat er bleef voor mij
Een ansicht en herinneringen

**Toen ik langs
het tuinpad van m'n vader
De hoge bomen nog zag staan
Ik was een kind, hoe kon ik weten
Dat dat voorgoed voorbij zou gaan**

Brandend zand en een verloren land
En een leven vol gevaar
Brandend zand
berooft je bijna van 't verstand
En dat alles komt door haar

Zwarte Dino, jij wou Nina
Die met Rocco was verloofd
En toen Rocco werd gevonden
Werd jouw onschuld niet geloofd

Brandend zand en een verloren land
En een leven vol gevaar
Brandend zand
berooft je bijna van 't verstand
En dat alles komt door haar

In de haven van Marseille
Danst jouw Nina nu voor geld
Slechts de golven zingen zachtjes
Wat van Dino wordt verteld

Brandend zand en een verloren land
En een leven vol gevaar
Brandend zand
berooft je bijna van 't verstand
En dat alles komt door haar

Brandend zand en een verloren land
En een leven vol gevaar
Brandend zand
berooft je bijna van 't verstand
En dat alles komt door haar

Paradiso met je palmenstrand
Ach die tijd vergeet ik niet
Paradiso met je palmenstrand
Wat geluk was werd verdriet

'K Zag jou voor 't eerst in Paradiso
Samen lagen wij daar in de zon
Eerst leek alles mooi een eldorado
Later bleek dat wat ik vond
geluk was dat niet blijven kon

Paradiso met je palmenstrand
Ach die tijd vergeet ik niet
Paradiso met je palmenstrand
Wat geluk was werd verdriet

And're meisjes wist je te bekoren
Steeds een ander steeds "ik hou van jou"
Ik die eerst niets kwaad van jou kon horen
Wist helaas maar al te gauw
dat jij mij snel vergeten zou

Paradiso met je palmenstrand
Ach die tijd vergeet ik niet
Paradiso met je palmenstrand
Wat geluk was werd verdriet

Zachtjes tikt de regen op mijn zolderraam
 't Ritme van de eenzaamheid
 Die regen zegt wij waren zo gelukkig saam
 Maar nu is dat verleden tijd

De regen valt bij stromen 't Is een trieste dag
 Want je liet me staan alleen
 Ik ken nu de betekenis van tegenslag
 Omdat je met m'n hart verdween.

Kom vertel me regen wat je doet
 Zeg, maak je 't tussen ons een beetje goed
 Ik heb niks aan een ander
 Want ik hou alleen maar van haar.

De regen valt bij stromen
 't Is een trieste dag
 Want je liet me staan alleen
 Ik ken nu de betekenis van tegenslag
 Omdat je met m'n hart verdween.

Kom vertel me regen wat ik voel
 Maak haar hartje vurig want ze is zo koel
 Vraag, beste regen aan de zon
 hoe of je dat doet.

Zachtjes tikt de regen op mijn zolderraam
 't Ritme van de eenzaamheid
 Die regen zegt wij waren zo gelukkig saam
 Maar nu is dat verleden tijd.

O, luister naar die regenbui, klidder, kledder,
 klidder, kledder
 Oh, oh, luister luister luister naar die regen-
 bui, klidder, kledder, klidder, kledder

Dream, dream, dream, dream
 Dream, dream, dream, dream

When I want you in my arms
 When I want you and all your charms
 Whenever I want you
 All I have to do is dream
 Dream, dream, dream

When I feel blue in the night
 And I need you to hold me tight
 Whenever I want you
 All I have to do is dream

I can make you mine
 Taste your lips of wine
 Anytime night or day
 Only trouble is
 Doing this
 I'm dreamin' my life away

I need you so, that I could die
 I love you so and that is why
 Whenever I want you
 All I have to do is dream
 Dream, dream, dream, dream

I can make you mine
 Taste your lips of wine
 Anytime night or day
 Only trouble is
 Doing this
 I'm dreamin' my life away

I need you so, that I could die
 I love you so and that is why
 Whenever I want you
 All I have to do is dream

Dream, dream, dream

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

I'll pretend that I'm kissing
The lips I am missing
And hope that my dreams will come true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

All my loving I will send to you
All my loving, darling I'll be true

Instr.

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

All my loving I will send to you
All my loving, darling I'll be true
All my loving, all my loving ooh
All my loving I will send to you

Almost heaven, West Virginia,
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees,
younger than the mountains,
blowing like a breeze

**Country roads, take me home
to the place I belong
West Virginia, mountain mamma,
take me home, country roads**

All my memories gather round her,
miner's lady, stranger to blue water
Dark and dusty, painted on the sky,
misty taste of moonshine, teardrop in my eye

**Country roads, take me home
to the place I belong
West Virginia, mountain mamma,
take me home, country roads**

I hear her voice in the morning hour,
she calls me,
the radio reminds me of my home far away
And driving down the road I get a feeling
that I should have been home yesterday,
yesterday

**Country roads, take me home
to the place I belong
West Virginia, mountain mamma,
take me home, country roads**

**Country roads, take me home
to the place I belong
West Virginia, mountain mamma,
take me home, country roads**

Take me home, down country roads
Take me home, down country roads

I'll never let you see
 The way my broken heart is hurtin' me
 I've got my pride and I know how to hide
 All my sorrow and pain
 I'll do my cryin' in the rain

If I wait for cloudy skies
 You won't know the rain
 from the tears in my eyes
 You'll never know that I still love you so
 Though the heartaches remain
 I'll do my cryin' in the rain

Rain drops fallin' from heaven
 Could never wash away my misery
 But since we're not together
 I look for stormy weather
 To hide these tears
 I hope you'll never see

Some day when my cryin's done
 I'm gonna wear a smile
 and walk in the sun
 I may be a fool but till then darling you'll
 Never see me complain
 I'll do my cryin' in the rain

I'll do my cryin' in the rain
 I'll do my cryin' in the rain

Don't look so sad. I know it's over
 But life goes on and this whole world
 keeps on turning
 Let's just be glad we had this time
 to spend together
 There is no need to watch the bridges
 that we're burning

Lay your head upon my pillow
 Hold your warm and tender body
 close to mine
 Hear the whisper of the raindrops
 Blow softly against my window
 Make believe you love me one more time
 For the good times

I'll get along; you'll find another,
 And I'll be here if you should find
 you ever need me.
 Don't say a word about tomorrow
 or forever,
 There'll be time enough for sadness
 when you leave me.

Lay your head upon my pillow
 Hold your warm and tender body
 Close to mine
 Hear the whisper of the raindrops
 Blow softly against my window
 Make believe you love me
 One more time
 For the good times

I can't stop lovin' you,
so I've made up my mind
To live in a memory of old lonesome times
I can't stop wantin' you, it's useless to say
So I'll just live my life, in dreams of yesterday

Those happy hours that we once knew
Though long ago, they make me so blue,
They say that time, heals a broken heart
But time has stood still
since we've been apart

Norwegian wood - Beatles

I once had a girl
Or should I say, She once had me
She showed me her room
Isn't it good, Norwegian wood

She asked me to stay
And she told me to sit anywhere
So I looked around
And I noticed there wasn't a chair

I sat on a rug
Biding my time, Drinking her wine
We talked until two
And then she said, "It's time for bed"

instr.

She told me she worked in the morning
And started to laugh
I told her I didn't
And crawled off to sleep in the bath

And when I awoke
I was alone, This bird had flown
So I lit a fire
Isn't it good, Norwegian wood

I love you so much I can't let you go
And sometimes I believe you love me
But somewhere between your heart and mine
There's a door without any key.

**Somewhere between your heart and mine
There's a window that I can't see through
There's a wall so high it reaches the sky
Somewhere between me and you.**

Somewhere between your heart and mine
There's a love I can't understand
It's there for a while then it fades like a smile
And I'm left in the middle again.

**Somewhere between your heart and mine
There's a window that I can't see through
There's a wall so high it reaches the sky
Somewhere between me and you...**

REFREIN A Capella

Somewhere between me and you...

Why does the sun go on shining?
 Why does the sea rush to shore?
 Don't they know it's The End of the World
 Cause you don't love me any more

Why do the birds go on singing?
 Why do the stars glow above?
 Don't they know it's The End of the World
 It ended when I lost your love

**I wake up in the morning and I wonder
 Why everything's the same as it was
 I can't understand, no, I can't understand
 How life goes on the way it does**

Why does my heart go on beating
 Why do these eyes of mine cry
 Don't they know it's the end of the world
 It ended when you said goodbye

**I wake up in the morning and I wonder
 Why everything's the same as it was
 I can't understand, no, I can't understand
 How life goes on the way it does**

Why does my heart go on beating
 Why do these eyes of mine cry
 Don't they know it's the end of the world
 It ended when you said goodbye

Welcome to my world
 Won't you come on in
 Miracles I guess
 Still happen now and then

Step into my heart
 Leave your cares behind
 Welcome to my world
 Built with you in mind

Knock and the door will open
 Seek and you will find
 Ask and you will be given
 The key to this world of mine

I'll be waiting here
 With my arms unfurled
 Waiting just for you
 Welcome to my world

Instr.

Knock and the door will open
 Seek and you will find
 Ask and you will be given
 The key to this world of mine

I'll be waiting here
 With my arms unfurled
 Waiting just for you
 Welcome to my world

Please lock me away
 And don't allow the day
 Here inside, where I hide with my loneliness
 I don't care what they say
 I won't stay in a world without love

Birds sing out of tune
 And rain clouds hide the moon
 I'm okay, here I'll stay with my loneliness
 I don't care what they say
 I won't stay in a world without love

So I wait and in a while
 I will see my true love smile
 She may come, I know not when
 When she does, I'll know
 So baby until then

Lock me away
 And don't allow the day
 Here inside, where I hide with my loneliness
 I don't care what they say
 I won't stay in a world without love

instr.

Kleine jongen
 Je bent op deze wereld
 dus zal je moeten vechten net als ik
 Ik kan het weten
 Het leven is niet makkelijk
 Er is tegenspoed op ieder ogenblik
 Kleine jongen
 Er zijn veel goede mensen
 Maar slechte zijn er ook helaas 't is waar
 Je moet maar denken
 Dat jij straks gaat beseffen
 Dat eerlijk het langste duurt geloof me maar

Dit leven gaat voorbij

Er is al weinig tijd dus leef, want jij bent vrij

**Maar doe het wel verstandig
 maak de mensen blij**

**Dan zul je echt gelukkig zijn
 Want het leven is zo kort**

Veel dingen worden anders als je ouder wordt

**Je speelt nu nog met blokken
 maar dat duurt niet lang**

Het is jammer maar je blijft niet klein

Kleine jongen
 Op school al zul je merken
 dat alles draait om cijfers en om macht
 Zo is het leven
 Dus leer wat je moet leren
 Want dan ben jij de geen die het laatste lacht
 Kleine jongen
 Als jij dan later groot bent
 Dan is je vader er misschien niet meer
 Vertel dan aan je eigen kinderen
 de wijze lessen van je ouweheer

REFREIN

Ze lag te slapen, 'k vroeg haar gisteravond
Wacht op mij
Misschien ben ik vanavond, vroeger vrij
Ze knikte wel van ja, maar zij kent mij

Nu sta ik voor je,
ik ben weer blijven hangen in de kroeg
Zo'n nacht ze weet 't, heb ik nooit genoeg
Hoe was het, Dat was alles wat ze vroeg

**Want zij gelooft in mij,
zij ziet toekomst in ons allebei
Zij vraagt nooit maak je voor mij eens vrij
Want ze weet, dit gaat voorbij
Ik schrijf mijn eigen lied
tot dat iemand mij ontdekt en ziet
Dat een ieder van mijn songs geniet,
ze vertrouwt op mij, Ze gelooft in mij**

Ik zou wachten
Tot dat de tijd dat ieder mij herkent
En je trots kan zijn op je eigen vent
Op straat zullen ze zeggen u bent bekend

Zolang we dromen, van geluk
Dat ergens op ons wacht
Dan vergeet je snel weer deze nacht
Jij vertrouwt op mij, dat is mijn kracht,
oh mijn kracht

**Want zij gelooft in mij,
zij ziet toekomst in ons allebei
Zij vraagt nooit maak je voor mij eens vrij
Want ze weet, dit gaat voorbij
Ik schrijf mijn eigen lied
tot dat iemand mij ontdekt en ziet
Dat een ieder van mijn songs geniet,
ze vertrouwt op mij, Ze gelooft in mij**

Ooh, you can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music,
getting in the swing
You come to look for a king
Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance

**You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine
Oh, yeah**

**You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen**

You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance

You are the dancing queen

Je zegt ik ben vrij, maar jij bedoelt,
Je bent zo eenzaam
Je voelt je te gek, zeg jij,
Maar ik zit nu te dromen
Want die blikken in je ogen
Zeggen alles tegen mij
Ik voel me precies als jij,
Dus jij kan eerlijk zijn

Je voelt je heel goed, zeg jij
je mond, begint te trillen
Ik denk dat ik jou kan helpen,
Maar je moet zelf willen
Elkaar nu een dienst bewijzen,
Dat is alles wat ik vraag
Zet weg nu die angst, ik wist het al,
Het is m'n dag vandaag

Geef mij nu je angst
Ik geef je er hoop voor terug
Geef mij nu de nacht
Ik geef je hem morgen terug
Zolang ik je niet verlies
Vind ik heus wel de weg met jou

Kijk mij nu eens aan, nee zeg maar niets,
Je mag best zwijgen
Het valt nu nog zwaar, maar ik weet
Dat ik jou kan krijgen
Dit hoeft nooit meer te gebeuren
Als je bij me blijft vannacht
Want dan zul je zien,
als jij straks wakker wordt,
Dat jij weer lacht

Geef mij het gevoel
Dat ik er weer bij hoor voortaan
Ik ga met je mee
Want ik laat je nu nooit meer gaan

Geef mij nu je angst
Ik geef je er hoop voor terug
Geef mij nu de nacht
Ik geef je hem morgen terug

Instr.

Zolang ik je niet verlies
Vind ik heus wel de weg met jou

Geef mij het gevoel
Dat ik er weer bij hoor voortaan
Ik ga met je mee
Want ik laat je nu nooit meer gaan
Geef mij nu je angst
Ik geef je er hoop voor terug
Geef mij nu de nacht
Ik geef je hem morgen terug
Zolang ik je niet verlies
Vind ik heus wel de weg met jou

Ik ben misschien te laat geboren
Of in een land met ander licht
Ik voel me altijd wat verloren
Al toont de spiegel mijn gezicht

Ik ken de kroegen en kathedralen
Van Amsterdam tot aan Maastricht
Toch zal ik elke dag verdwalen
Dat houdt de zaak in evenwicht

**Laat me, laat me,
laat mij gewoon mijn gang maar gaan
Laat me, laat me,
ik heb het altijd zo gedaan**

Ik zal m'n vrienden niet vergeten
Want wie mij lief is blijft me lief
En waar ze wonen moest ik weten
Maar ik verloor hun laatste brief

Ik zal ze heus wel weer ontmoeten
Misschien vandaag of volgend jaar
Ik zal ze kussen en begroeten
Het komt vanzelf weer voor elkaar

**Laat me, laat me,
laat mij gewoon mijn gang maar gaan
Laat me, laat me,
ik heb het altijd zo gedaan**

Ik ben gelukkig niet veranderd
Soms woon ik hier, soms leef ik daar
Ik heb mijn leven niet verkankerd
'K heb geen bezit en geen bezwaar

Ik hou van water en van aarde
Ik hou van schamel en van duur
D'r is geen stuiver die ik spaarde
Ik leef gewoon van uur tot uur

**Laat me, laat me,
laat mij gewoon mijn gang maar gaan
Laat me, laat me,
ik heb het altijd zo gedaan**

Ik zal ook wel een keertje sterven
Daar kom ik echt niet onderuit
Ik laat mijn liedjes dan maar zwerven
En verder zoek je het maar uit

Voorlopig blijf ik nog je zanger
Je zwarte schaap, je trouwe fan
Ik blijf nog lang, en liefst nog langer
En laat me blijven wie ik ben

**Laat me, laat me,
laat mij gewoon mijn gang maar gaan
Laat me, laat me,
ik heb het altijd zo gedaan**

**Laat me, laat me,
laat mij gewoon mijn gang maar gaan
Laat me, laat me,
ik heb het altijd zo gedaan**

Je moet je het schompes werken
En je doet het maar waarvoor?
Het kan elk moment gebeurd zijn
Maar ze gaan nog even door
Nog dichterbij de afgrond
Nog dichterbij het vuur
En het wordt alleen maar
Erger met het uur...

Bommen voor de vrede
Leugens om het geld
En wij moeten betalen
Ook al had je niks besteld
Waar halen ze de lef
En de gore moed vandaan
Lief, trek iets moois aan
Want we gaan

Dansen dansen dansen
Dansen op een vulkaan

Dit is de grote vrijheid
Je mag zeggen wat je denkt
Niet dat het iets uitmaakt
Met hoeveel je ook bent
Ze doen toch wat ze willen
Al moet de hele boel vergaan
Lief, trek iets moois aan
Want we gaan

Dansen dansen dansen
Dansen dansen dansen
Dansen op de vulkaan

Straks is het verboden
Of te laat om nog te gaan
Lief trek iets moois aan
Want we gaan

Dansen dansen dansen . . .

Ik heb de hele nacht liggen dromen
Van je stem, van je mond
Van je lijf, van je kont
En de dekens op de grond
Jij had mij in je armen meegenomen
Achter sterren en maan
Naar een plek waar geen tijd meer bestond

Weet je wat ik zie wanneer ik in je ogen kijk
Voel je wat ik voel als ik je zachtjes streel
Doe je wat ik doe
als mijn mond naar de jouwe reikt
Ik kan niet langer wachten, dit wordt mij teveel

REFREIN

Elke keer als je mij aanraakt
Als je zegt: ik voel me zo alleen
Dan weet ik niet wat ik moet zeggen
Kom gewoon niet door mijn woorden heen
Ik wil je heel gewoon vertellen
Dat ik dag en nacht bij jou wil zijn
Als ik aan je denk dan word ik gek
En doet mijn hart ontzettend pijn

REFREIN

Weet je wat ik zie wanneer ik in je ogen kijk
Voel je wat ik voel als ik je zachtjes streel
Doe je wat ik doe
als mijn mond naar de jouwe reikt
Ik kan niet langer wachten, dit wordt mij teveel

You with the sad eyes
Don't be discouraged
Oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it all
And the darkness inside you
Can make you feel so small

But I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful
Like a rainbow

Show me a smile then
Don't be unhappy, can't remember
When I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there

And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful
Like a rainbow

Oooo. . . .
Can't remember,
when I last saw you laughing

If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there

And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors
True colors are shining through

I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful
Like a rainbow

Pretty women out walking
with gorillas down my street
From my window, I'm staring
while my coffee goes cold
Look over there (where?)
There, there's a lady
that I used to know
She's married now or engaged
or something, so I'm told

Is she really going out with him?
Is she really gonna take him home
tonight?
Is she really going out with him?
'Cause if my eyes don't deceive me,
there's something going wrong
around here

Tonight's the night when I go
to all the parties down my street
I wash my hair and I kid myself
I look real smooth
Look over there (where?)
There, here comes Jeanie
with her new boyfriend
They say that looks don't count for much,
if so, there goes your proof

Is she really going out with him?
Is she really gonna take him home
tonight?
Is she really going out with him?
'Cause if my eyes don't deceive me,
there's something going wrong
around here
Around here

*But if looks could kill
There's a man there
who's marked down as dead
'Cause I've had my fill
Listen, you,
take your hands from her head
I get so mean around the scene
Hey, hey, hey*

Is she really going out with him?
Is she really gonna take him
home tonight?
Is she really going out with him?
'Cause if my eyes don't deceive me,
there's something going wrong
around here

Around here

Something going wrong around here
Something going wrong around here
Something going wrong around here
Something going wrong around
